

Be the Light

Matthew 5:13-16 NKJV

The church in America has been quiet for too long in regard to moral issues and to the truth in God's Word.

1 Peter 4:17 says, "For the time has come for judgment to begin at the house of God."

The values of the world are failing, the morals are declining, and integrity is becoming a thing of the past.

It is time that Christians in America get on their knees and repent, and get into the Word of God and walk in obedience.

The time has come to wake up, get up, and get out and do what we're supposed to do because we know THE ONLY HOPE for America!

There is no place for compromise.

We must be agents of change in our world today.
