

EXPLORE THE EVIDENCE FOR CHRIST 1 Corinthians 15:3-20 NKJV

The resurrection is the lynchpin of Christianity.

Virtually every scholar, secular and Christian, agrees Jesus actually lived in the first century.

For the resurrection to be true, Jesus had to really die.

Medical and historical evidence shows there's no way Jesus survived the brutality of Roman execution.

The empty tomb is a powerful testimony to the resurrection of Jesus.

More than 515 eyewitnesses saw Jesus on 12 different occasions.

Jesus really lived, died and rose from the dead, and this proves that He was who he claimed to be: the Only Begotten Son of God, the Messiah.
