

## **EXPLAINING THE GOOD NEWS OF CHRIST Matthew 5:13-26**

Living in the way Jesus describes is an unexpected adventure.

We are here for a purpose, and that is to impact friends and family members for all eternity.

Before Jesus embarked on anything important, He prayed to His Heavenly Father.

Jesus always welcomes questions.

The good news is we have answers to the toughest questions of faith and life.

Salt and light means helping our friends find answers to their questions.

Lee Strobel says, “We have an unfair advantage in the marketplace of ideas, we have truth on our side.”

Authentic faith takes more than just words.

Our authentic acts of service are attractive and can draw others toward Christ.
