

THE GREAT ADVENTURE

Hebrews 11:1-3 NKJV

The Bible is filled with people of action.

Strength cannot be built without resistance.

We must not be passive in the face of the enemy.

When we take action, we discover that we face a real, living enemy.

Christians face challenges everywhere.

The Bible tells us the battle still rages.

The fearful, intimidated Christian often makes peace with that on which God declares war.

Truth, meekness, righteousness are causes for which God Himself battles.

It's time to act so that God will reveal Himself.
